In lieu of our regular meeting we had a committee meeting for the complete streets project. It was very informative to find out how much Portville is doing

right with our curb cutouts, our crosswalks well visible and our sidewalks in quite good shape.

After a presentation we walked around the community and looked at possible ways to improve and make our community more appealing to walkers and bikers of all ages. We looked at possibly extending the sidewalk on Temple Street from the foot bridge to Lyman Baker Park to make it safer. Also possibly putting bike racks up in different locations so bikers have a secure place to leave their bikes. Also, making our lettering on the bike lanes more visible. We talked

about in the future extending the sidewalk west of the village and
someday
replacing the sidewalk near the Weston Mills Post Office.

After the meeting they took all the ideas with them to work up what
they feel
will be our best way to spend our Grant. We will be having another
meeting in
the future to find out what the results are.

Respectfully submitted,
