Re: Portville Town Judge position

This letter is to inform the Town of Portville Board that I will no longer be able to do the duties of the Portville Town Judge as the New York State Ethics Board considers running for an additional office is in direct conflict with the responsibilities of this office. I will be no longer be able to do the responsibilities of the Portville Town Judge as of July 1, 2011.

It has been an honor to serve my community in this position and I have enjoyed working with this Town Board and look forward to other opportunities involving this community.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Hale", with a large, stylized flourish extending from the end of the signature.
