

How To Create A Tax Payment Receipt

If you have made your tax payment, you can use this file to print your tax payment receipt by following these simple instructions.

Enter either your last name or your Tax Map Number into the **SEARCH** or **FIND** box and press **ENTER**.

Your tax payment receipt should appear almost instantly.

Select **PRINT** from the **FILE** menu. Make sure you only select **CURRENT PAGE** to print.

Once it prints, you can cut out your particular receipt.
